Test Date Foundational Skills

Foundational skills underlie broad areas of language ability. The percentile value for a foundational skill means that the test taker performed better than that percentage of all those who took the test. For example, a score at the 75th percentile means that the test taker performed better than 75% of all test takers.

Sentence Construction

85th
Percentile

This skill predicts the range and complexity of sentence structures test takers can use in a variety of academic and daily life contexts and tasks. Sentence construction supports effective communication of complex ideas and perspectives.

Vocabulary Knowledge

65th
Percentile

This skill predicts the range of vocabulary understood in a variety of academic and daily life contexts and tasks. Vocabulary knowledge is foundational for both comprehending content and expressing ideas with clarity.
