

TOEFL® Test Acceptance Language for Your Website

Make sure your website is up to date with the latest information about the *TOEFL*® tests accepted by your institution. Below is suggested language for your website and other publications about *TOEFL* tests and related features like *MyBest*® scores.

**{Name of Institution} accepts the following
TOEFL® tests and products: *TOEFL iBT*®
(including the Home Edition and Paper Edition),
TOEFL® Essentials™ and *MyBest*® scores.**

Some suggestions for your website that we have found help increase the number of applicants:

- ▶ Include your 4-digit *TOEFL* DI code in a prominent place so that applicants can easily and correctly send score reports to your institution.
- ▶ Clearly indicate your score requirements for each test, including section scores when applicable.
- ▶ Make sure your testing policies, especially time-sensitive ones related to COVID-19, are up to date.
