

## **TOEFL® Test Acceptance Language for Your Website**

Make sure your website is up to date with the latest information about the *TOEFL*® tests accepted by your institution. Below is suggested language for your website and other publications about TOEFL tests and related features like *MyBest*® scores.

**{Name of Institution} accepts the following  
TOEFL tests and products: *TOEFL iBT*®, *TOEFL iBT*®  
Home Edition, *TOEFL® Essentials*™ and *MyBest* scores.**

### **Some suggestions for your website that we have found help increase the number of applicants:**

- ▶ Include your 4-digit TOEFL DI code in a prominent place so that applicants can easily and correctly send score reports to your institution.
- ▶ Clearly indicate your score requirements for each test, including section scores when applicable.
- ▶ Make sure your testing policies, especially time-sensitive ones related to COVID-19, are up to date.
